ROUTINE REMINDERS

Condo Remodel Guidelines:

In the past few years, we have seen an increase in condominium remodels and have learned a few things along the way. Perhaps the most important thing learned is that there is sometimes confusion and misunderstandings regarding exactly what a unit owner may do during a remodel, including changes to interior common walls, exterior windows and doors, work hours, and other issues. Our Bylaws have several requirements for renovation projects that need to be followed so, please, before initiating a remodel of any kind, send a detailed scope and work plan to both the administration (eccadmin@cbpcozumel.com) and to the VC (eccvc@cbpcozumel.com). This is being done not with any goal of unduly interfering with any unit owner's renovation plans, but rather to make sure that the rules and regulations that are currently in place are not being violated. Violations can result in significant financial penalties to the unit owner, and your VC and administration wants to avoid those if possible. Submission of plans and a work scope will help all parties to accomplish a renovation project with a minimum of problems. During the project, please expect the VC and/or Administration to enter from time to time to verify that work is being done consistently with our Bylaws.

El Cantil Wheelchair:

We have invested in a Wheelchair for emergency use only. It's available for any emergency at El Cantil that may occur. It will not be rented or loaned to any homeowner or guest but is available for any urgent need. Please ask security staff, either El Cantil Staff (RED Shirt) or nighttime security if an emergency arises. It's stored in the stairwell of the South Tower.

We have new El Cantil hats. If you'd like one for yourself or anyone else, please talk Alicia and she can sell you one for 150 pesos each.
